

United States Department of State

Washington, D.C. 20520

April 14, 2020

CONGRESSIONAL NOTIFICATION TRANSMITTAL SHEET

Please find enclosed the following notification from the Department of State.

Department Notification Number: DDTC 18-096

Pursuant to Section 36(d) of the Arms Export Control Act, please find enclosed a certification of a proposed license amendment for the export of technical data and defense services for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of technical data and defense services to the UK to support the manufacture of Have Quick II Electronic Counter-Counter Measure (ECCM) devices and incorporation into radio equipment.

The U.S. government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the U.S. firm concerned.

Receiving Committees:

House Committee on Foreign Affairs
Senate Committee on Foreign Relations
Speaker of the House

We hope you find this information useful.

Sincerely,

Mary Elizabeth Taylor
Assistant Secretary of State
Bureau of Legislative Affairs

United States Department of State

CONGRESSIONAL NOTIFICATION TRANSMITTAL SHEET

Please find enclosed the following notification from the Department of State.

Department Notification Number: DDTC 19-109

Pursuant to Section 36(c) of the Arms Export Control Act, please find enclosed a certification of a proposed license for the export of defense articles, including technical data and defense services, in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data and defense services, to Austria to support the modernization, upgrade, integration, installation, operation, training, testing, maintenance, and repair of the Austrian Integrated Flight Deck (AIFD) for S-70i Blackhawk Helicopters.

The U.S. government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the U.S. firm concerned.

Receiving Committees:

House Committee on Foreign Affairs
Senate Committee on Foreign Relations
Speaker of the House

We hope you find this information useful.

Sincerely,

Mary Elizabeth Taylor
Assistant Secretary of State
Bureau of Legislative Affairs
